Elderbridge will receive $391,084 in federal funds to provide meals for seniors in our service area. $34,000.00 was used to cover a Nutrition program shortfall. Funds will be used to purchase supplies, such as disposable to-go containers, food service gloves, and lunch sacks to be used for home-delivered meals or grab and go meals at meal sites. The funds need to be used by June 30, 2021, and 1.2 million in funding needs to be used by September 30, 2021. Checks are being run once a week instead of twice a week.
Planned events for evidenced-based programs such as Tai Chi classes, Caregiver events have been canceled. Due to the Presidential Disaster Declaration, this allows Elderbridge to release otherwise unused Title IIID and IIIE funds to be used elsewhere. COVID-19 is also impacting Elderbridge’s subcontractors to fully expend their contracts, which will free up Title IIB dollars to be used in other areas. CEO Sindt stated that some of the funding was used for hazard pay for the employees. At this time, CEO Sindt is not sure if funding received from the state will be affected.
