CFO Boedeker stated that Iowa Department on Aging had been slow in releasing the funds which have created concern. CFO Boedeker further stated IDA is encouraging AAA’s to expend the COVID-19 funding before using Title III funds. CFO Boedeker stated staff will be discussing whether to use Title III funds first or federal funds.

There has been a substantial increase in internally generated aid requests for April. Aid requests average 50 per month and the month of April had 378 requests. The staff has been very busy processing the requests.

Aye: all (the motion was declared carried.)

3.0 Agency Program Report – Shelly Sindt, CEO

3.1 CEO Report

CEO Sindt reported that the Iowa Department on Aging has directed the AAA’s to spend the COVID-19 funding first, but the additional federal funds cannot be carried over past September 30. The problem that will result is that regular funds will not be used and the funds will be taken back. CEO Sindt believes it would be better to spend regular funding for current activities and use the stimulus funds for new services and new clients. The stimulus dollars can be carried over to September 2021. IDA does not allow agencies to carry over more than 20% of funding past September 30.

CEO Sindt praised the work that Elderbridge staff has been doing during the pandemic. Total requests for assistance have doubled since March. An additional 343 people in April received home-delivered and shelf-stable meals. CEO Sindt stated that staff and meal site personnel were deeply appreciative of the hazard pay they received.

Northwest Bank has given Elderbridge a donation of $2,500 for senior meals. The funds can be used in any of the counties the bank is located.

COO Timmer reported that awareness of Elderbridge has increased since the pandemic started. RIDES in Spencer and DART in Fort Dodge have been delivering groceries to seniors. 98% of the meal sites are doing home-delivered meals. The Iowa Department of Aging will be providing masks and hand sanitizer which will be going out to meal sites. The Iowa Return to Community program continues to grow. COO Timmer will meet with the Spirit Lake Hospital next week to begin getting referrals.
