If more measures are needed due to the Delta variant, they will be implemented.

2.0 Finance Report – Jodi Presswood, CFO

2.1 Finance Report

CFO Presswood reported on the following:
- The IAFRS report will be submitted to the state on Friday, August 14, 2021.
• Elderbridge received notice of the American Rescue Plan Act (ARPA) funding which can be used for 2022, 2023, and 2024 fiscal years. A breakdown of the funding for ARPA was included in the Board packet.

• Elderbridge has received notice that the Medicaid Administrative Claiming (MAC) dollars will be received in August. Elderbridge should receive approximately $130,000 in reimbursements.

• The finance department will be doing all of the accounts payable paperless beginning with invoices and Request for Reimbursements (RFRs) for July. Testing has been done over the last quarter and it was successful. The Auditor will not need to spend as much time in the Mason City office during the audit process.

• The June financials are not the final version. The final version for June and July will be presented at the September meeting.

• Tammie McCready will be helping with the high-risk case management program and will be focusing less on grant writing.

It was moved by Jill Hawkinson and seconded by Larry Pedley to approve the financial report as presented.

Aye: all (the motion was declared carried.)

3.0 Agency Program Reports

3.1 CEO Report – Shelly Sindt

• CEO Sindt stated that the ARPA money will allow us to build and expand programming. However, the downside is that it requires 25% matching funds. Therefore, Elderbridge needs to better capture volunteer time. Board members need to record their time for Board meetings and activities. County funding traditionally has been used toward the match. The state auditor has told the counties that any non-profit receiving funding must have a 28E Agreement. Elderbridge is a non-profit but also operates as an instrumentality of the state as a designated AAA according to the Iowa Code. All six AAAs, as an association will have a 28E Agreement instead of trying to establish an agreement with each county.

• CFO Presswood, COO Timmer, HR Specialist Roxy Thompson and CEO Sindt will be meeting to discuss staff retention. There are businesses with unskilled labor (positions that require no specific skills) hiring at $17 or $18 an hour. It is time to bring staff up to a competitive level so they stay with the agency. Board approval will be needed because the budget will need to be revised.

• An early retirement package as an incentive will be brought to the Board at the September meeting for discussion and approval.

3.2 COO Report – Stacia Timmer

• COO Timmer stated that 11 restaurants are participating in the Iowa Café program. In July 2,500 meals have been served, which is above what all the meal sites are serving. The Blue Heron in Mason City has signed up 500 people for the program.

• Dementia Friendly Training – staff have been trained. Staff member Emily Winker is a Dementia Friendly Champion and she will be reaching out to communities.
• IRTC and Elder Rights programs – both programs will be expanded. The IRTC program will expand to Hancock County. CEO Sindt stated that additional staff will be needed in the future to expand the programs.

4.0 Community Relations
4.1 County Updates – Feedback from Board Members and the general public.
   There will be Alzheimer Walks taking place in Spencer on September 19, Fort Dodge on October 2, and Mason City on October 9. If anyone is interested in the Alzheimer Walks they can contact COO Timmer. CEO Sindt stated that there is an online donation set-up on the Alzheimer’s website should anyone wish to contribute.
