CEO Sindt stated that Upper Des Moines Opportunity has moved back into the Spencer office with rent at $1,500 a month. Bids are being sought for striping the Spencer parking lot as it has faded considerably. CEO Sindt also attended the annual meeting.

CEO Sindt stated that the Joint Planning Committee meets once a year to prioritize the services for the next Fiscal Year, which helps the budgeting process. Three Board members are asked to participate and three members from the Advisory Council are asked to participate. All of the 28E Agreements will be filed with the Secretary of State.

1.8 FY2022 Budget Update
CFO Presswood stated money has been moved around but the net amounts in each area are the same because coverage was needed from different sources. IDA has stated that we will receive $85,000 back that was taken out of the budget. Once there is a full agreement with IDA concerning the $85,000, it will be put back in the budget and another revision will need to be done. 2.0 Finance Report – Jodi Presswood, CFO
2.1 Finance Report
CFO Presswood reported on the following:
- The Statement of Revenues and Expenditures by Project has been included in this month since the books were closed in FY21. During the closing, there was an increase in revenues from the indirect costing methods from actual to the flat 10% rate. The value of this change was approximately $36,000. This additional amount will be a small assist in meeting the match amounts from the ARPA funding if indirect expenses remain near their current levels.
- Elderbridge’s finances are in good shape due to the additional ARPA funds.
- The FY21 Audit is upcoming and the hope is it will be completed by Thanksgiving and submitted by the end of December 2021.

It was moved by Lori Hain and seconded by Ethan Huizenga to approve the financial report as presented.

Aye: all (the motion was declared carried.)

3.1 CEO Report – Shelly Sindt
- CEO Sindt stated that the management team has been on two retreats. The focus of the retreats was to look at the efficiency of the processes that are used to make sure they are the most effective. Each department or program is being reviewed. There will be one more retreat to review the finance department.
- CEO Sindt attended the first Board meeting with US Aging formerly N4a this month. Board member recruitment has started. There will be a Board meeting in December. The hope is it will be in-person but it could be virtual.
- There are some concerns with how funding has been handled at the state and federal levels with the new census. The AAA network is looking at transparency
concerns. A letter identifying the AAA’s concerns will be sent to Director Linda Miller and potentially the state auditor.

- Elderbridge will receive $85,000 back after funding reductions from the state that will bring the cuts down to no larger than 5%.
- ADRC No Wrong Door grant – currently working on a new website that will have a chat feature; working with Easter Seals to provide assistive technology equipment, and the University of Iowa and the Department of Public Health for a training portal for the Aging Disability Network to utilize for cross-training.
